6th Satyendra Prasanna Mukherjee Annual Memorial Lecture

On September 19, 2023, our college had the distinct honour of organizing the 6th Satyendra Prasanna Mukherjee Annual Memorial event, an occasion that commemorates the life and achievements of a remarkable mountaineer. This year we had the privilege of hosting Sri Debraj Dutta, an eminent figure in the field of mountaineering, as our guest speaker. Some of the prominent work under his belt includes- his role as an Outward-Bound Expert, Mentor, First responder in Indian Mountaineering Foundation & ULAA. The topic of his talk was "The Quest of a Mountaineer from Kolkata to Set Foot on the Top of the World,". Sri Debraj Dutta's captivating narrative about his personal journey from Kolkata to the world's highest peak Mount Everest left a profound impact on the audience. His experiences in the world of mountaineering, including his close encounters with danger and his relentless pursuit of summiting the highest peaks, illustrated that success often requires pushing one's limits and facing adversity head-on. The story he shared was not just a tale of mountaineering conquests but also a testament to the power of human spirit and the importance of perseverance in the face of adversity. One of the key takeaways from his talk was the idea that each one of us might not turn up to be mountaineers by profession but we all must strive to possess the grit, determination and the unwavering perseverance like that of a mountaineer. Achievements begin with knowing that you are greater and stronger than the hurdles on your way.
