GOKHALE MEMORIAL GIRLS' COLLEGE

Strategic Planning and Deployment Document

Preface

For a higher education institution, strategic planning is very essential to accomplish its Vision and Mission to transform students into human resources within a short period of time and to make them worthy citizens of a progressive nation. Strategic planning is a continuous process with a specific focus on accomplishing institutional goals. Writing the Strategic Planning and Deployment Document (SPDD) is the first step towards this direction. It is based on analysis of strengths, past achievements, current obstacles and future opportunities. It envisages the direction towards which the organization should move to achieve its set goals and objectives.

The SPDD of Gokhale Memorial Girls' College draws on the involvement of all its stakeholders who contribute to its continued success as a premier institution catering to women's education. Effort has been taken to identify clearly the implementation processes and monitoring by identifying measurable targets in line with the desired outcomes.

“Education is the manifestation of perfection already in man. Religion is the manifestation of the Divinity already in man. Therefore, the only duty of the teacher in both cases is to remove all obstructions from the way.”

Gokhale Memorial Girls' College aims to inculcate the motto of Brihadaranyak Upanishad as stated by the great Advaita philosopher Maitreyi. It was her pertinent question on immortality towards her husband, Rishi Yajnavalka, on his decision to renounce worldly pleasures and take up sanyas (monk hood): — येनाहं नामृता स्यां किमहं तेन कुर्यां “What shall I do with that which does not give me immortality?” This is the accepted motto of this 83-year institution and with a firm belief that values are the integral part and parcel of the philosophy of our great nation and its educational system. Value-based education is an approach to teach universal values like patience, honesty and sincerity to the students. It creates a strong learning environment that enhances academic attainment, and helps students' graduate from simple social backgrounds to more elaborate surroundings throughout their lives. The fulcrum of value education is in the attainment of a balanced development of the personality of the female students who are the pillars of society. The institution was established in pre-independent India by Mrs. Sarala Ray, a great disciple of freedom fighter and educationist Gopal Krishna Gokhale with the ardent support of Dr. S.E. Rani Ghosh, the First Principal of the College, with a vision of educating and empowering women from every walk of life. Following the great vision of its founders, the institution strives to encourage self-expression, help young women to identify their latent talents and adapt with dignity to the fast-changing technology, lifestyle and social order in the country and contribute as compassionate individuals.

The essential core values include:

- ***Integrity***

Integrity is the exercise of being truthful and showing a reliable and uncompromising devotion to strong ethical principles and values. We practice a shared decision-making process and promote trust through professional courtesy and fair treatment. Imbibe values of the institution through dedication to one's work. Conduct all activities in an ethical manner. Commit to practices that are fair, honest, and objective in dealing with students, faculty members, staff, and stakeholders at all the levels of the community.

- ***Respect***

Respect is the essential foundation for working collaboratively. We recognize the expertise of teaching and non-teaching staff and respect their contribution towards the institution. We intend to extend support to our employees and student in all possible ways. Express gratitude to all the teachers and women staff of the college through Teacher's Day and Women's Day celebration every year. We value and respect the efforts of the staff as they contribute to the wellbeing of the society.

- ***Inclusiveness***

We create inclusive work environments where people are valued for their cultures, experiences, skills, knowledge and capabilities. We provide culturally inclusive and responsive services to all the stakeholders. We believe in diversity and promote respect to all belonging to different cultures, social background and gender be it the students or the staff, through various co-curricular activities and special observances like Rabindranath Tagore's Birthday, Independence Day, Netaji's Birthday, Republic Day, International Mother Language Day and Hindi Divas.

- ***Excellence***

Excellence is relentlessly pursued. The staff and students are constantly encouraged to strive to achieve their best. "Practice makes man perfect". Dedication and practice is one, which helps us to surpass the ordinary standards. Students are the primary reason we exist as an institution and thus the teachers take initiative to undertake modern teaching-learning techniques like ICT, PPTs, and videos while also continuing to use the chalk and talk method for curriculum delivery. Internal tests, class tests, mock tests, doubt-clearing classes, group discussions student presentations and lecture demonstrations enhance the student's knowledge and learning capacities and preparedness for exams. Programs, services, systems, and policies are periodically evaluated and improved. Add-on courses offered by the institution lead to the acquisition of knowledge and skills necessary for career advancement and employability, personal enrichment and leadership. Three student clubs strive to help students showcase their literary, artistic talents and community initiatives. Extension activities help imbibe good values, fellow feeling and sense of collective responsibility.
