Dear Dr Karfa

Warm greetings from **Centre for Contemporary Communication (ccckolkata)**.

You will be delighted to know that Centre for Contemporary Communication (ccckolkata) in partnership with the Consulate General of the Federal Republic of Germany, Kolkata, has embarked upon a very prestigious Project, **"Greener, Cleaner World – ENVIRONMENT & CLIMATE CHANGE DIALOGUES AND ACTION."** This Project spans a period of 7 months - from June to December 2017.

In this Project ccckolkata will work with 20 schools and 10 colleges. And we invite you to kindly join this Project and participate in changing Kolkata's understanding of its Environmental Issues with the various Climate Change challenges faced by it.

This Project intends to work with students of classes 8 to 12.

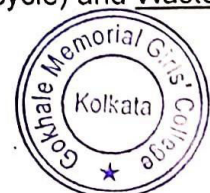

Specifically the following activities will be held in this Project:

1. Screening of a Video on Kolkata and Climate Change - a 30 minute video in English/Bengali language produced specially in this Project, will be screened at the School / College followed by Q and A with invited Experts
2. Energy Audit of the Institution, followed by Distribution of 100 LED bulbs; Select students will be taken to visit a school / college which has installed a Solar Rooftop
3. A Tree Sapling will be planted in the Institution, which will be protected and raised by the School
4. Waste Audit in the Institution followed by 3Rs ( Reduce, Reuse and Recycle) and Waste Segregation - exploring possibilities for making it a permanent practice

Authenticated .

## **8. WORLD ENVIRONMENT DAY**

NSS UNIT-1 of Gokhale Memorial Girls' College observed world environment day on 5<sup>th</sup> June 2019.. 15 volunteers of the NSS UNIT-1 participated in campus gardening programme.

A Two-day Yoga and Meditation Workshop cum Training conducted for 3rd Year Students by the trainers of World Yoga Society, Kolkata on 2<sup>nd</sup> and 3<sup>rd</sup> August, 2019

**“No Single-use Plastic” Awareness Programme during 1st September, 2019 to 15th September 2019 as observance of Swachhta Pakhwada.**

Social awareness is a process and one of the impactful steps through which we can acquire and apply knowledge, skills and achieve personal and collective goals. Social Awareness Club of Gokhale Memorial Girls' College helps the students to recognise the available resources, use them and make responsible decisions to motivate and contribute to the wellbeing of community, society and environment.

In September 2019, Social Awareness Club members focussed on one of the major reason that causes environment pollution -Use of plastic bags. On daily basis it has caused an impact on our environment. Students of Social Awareness Club made cloth bags for daily use like carrying tiffin boxes and as hand bags to college or anywhere to carry their essentials. They used leftover pieces of cloth at home to make these bags. They made beautiful embroidery and fabric colour designs to give an attractive look. This activity made our students aware of plastic free environment. This activity gave them peace of mind that they have contributed their part in preventing plastic pollution to some extent.

## 11 COLLEGE CAMPUS CLEANING AND GROUND PREPARATION FOR SPORTS

Teaching and non-teaching staff of NSS UNIT-1 alongwith students volunteer and members of sports committee of Gokhale Memorial Girls' College have prepared college ground for outdoor games on 27<sup>th</sup> November, 2019.

## 12 Observation of World Environment Day:

On 5th June, 2020, NSS Unit-1 of Gokhale Memorial Girls' College organized a program named, "Plant a tree with us!" on the auspicious occasion of the World Environment Day on 5th June. The teaching, non-teaching staffs and the students of Gokhale Memorial Girl's College came forward in this battle against climate change and environmental degradation. As the super cyclonic storm, Amphan caused the destruction of a huge number of trees in West Bengal last month (16 May, of 2020) and, thereby, dealt a severe blow to our ecosystem. Since there cannot be a better way of observing this sacred day than planting trees, we, the members of the NSS committee, GMGC requested all faculty members and students to plant at least one sapling each in their homes/gardens.
